**3 x red dot award: product design in one fell swoop: for LAVESTIDO, LA DIVA wall and floor tiles and LA DIVA mosaics**

1,636 companies from 57 countries submitted a total of 4,252 entries in the competition for one of the most coveted design awards in 2010; V & B Fliesen GmbH prides itself on being one of the lucky winners. Three times over! The international jury of the Design Zentrum Nordrhein-Westfalen awarded the world-famous **red dot award: product design** to the LAVESTIDO porcelain stoneware range with its innovative velvet *Ystone* surface, the LA DIVA wall and floor tile and the LA DIVA mosaics.

The festive award ceremony will take place in the Essen opera house, the Aalto Theatre, in July. The Aimée range of tiles won the coveted award last year.
