TOUGA WHEN THINGS GET ROUGH

Leave no traces.

Throughout its lifetime, a Fraganite sink will be cleaned thousands of times. But despite this extreme stress, it will remain virtually unscathed thanks to its unique mix of materials that make it highly scratch resistant.

Fraganite is made from quartz, one of the hardest materials known to man. Treated properly, your sink will last a lifetime.

Impact proof.

Fraganite is resistant to impacts and thermal shock.
