TOUGA WHEN THINGS GET ROUGH

Leave no traces.

Throughout its lifetime, a Fraganite sink will be cleaned thousands of times. But despite this extreme stress, it will remain virtually unscathed thanks to its unique mix of materials that make it highly scratch resistant.

Built to outlast.

Fraganite is made from quartz, one of the hardest materials known to man. Treated properly, your sink will last a lifetime.

Impact proof.

Fraganite is resistant to impacts and thermal shock.

Scratch proof.

Even knives won't scratch the surface.

ABSOLUTELY FLAWLESS ALWAYS

Beautifully inviting.

Feel free to invite your guests into your kitchen. Fraganite ensures that your sink cleans up quickly and easily, so everyone can admire its design.

Cheers to that.

A robust burgundy, a full-bodied Bordeaux, or maybe a heavy Amarone? Whichever you prefer, enjoy it without worry. Fraganite resists stains even from the strongest of red wines.

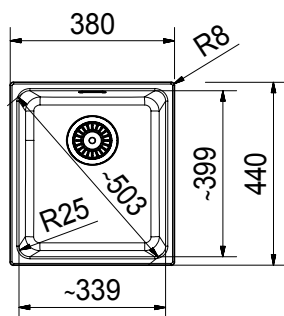

Stain proof.

A stained sink will never look clean. Fortunately, a Fraganite sink will never stain.
